

Below is a partial list of providers who offer continuing education (CE) activities with accredited/approved sponsorship.

This list is only a partial list to assist you in planning your activities. State/regional/local professional societies and other organizations recognized by state licensing boards may not be represented on this list; however, courses provided by these groups are acceptable for CMP points.

ACCENT - Advances in Clinical Chemistry Education and New Technology
ACCME - Accreditation Council for Continuing Medical Education
ACPE - American Council on Pharmaceutical Education
AMA - American Medical Association
ASCLS PACE - The American Society for Clinical Laboratory Science
ASCP CMLE – American Society for Clinical Pathology
California Department of Health
Canadian College of Microbiologists
Dubai Health Authority
European Union of Medical Specialties
Florida Board of Clinical Laboratory Personnel
Health Authority of Abu Dhabi
IACET - International Association for Continuing Education & Training
Royal College of Pathologists (UK)
Royal College of Pathologists of Australia
Royal College of Physicians (UK)
Royal College of Physicians and Surgeons of Canada

PLEASE NOTE: Due to the large volume of continuing education programs available, the Board of Certification will not respond to requests for approval of individual programs or courses. If the program/course meets the criteria described under Guidelines for Earning CMP Points, it will be acceptable for CMP Points. Program provider must assign points or contact hours.
